
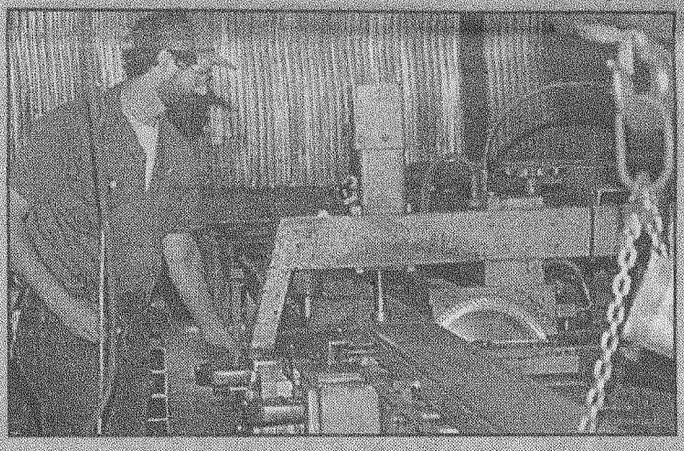
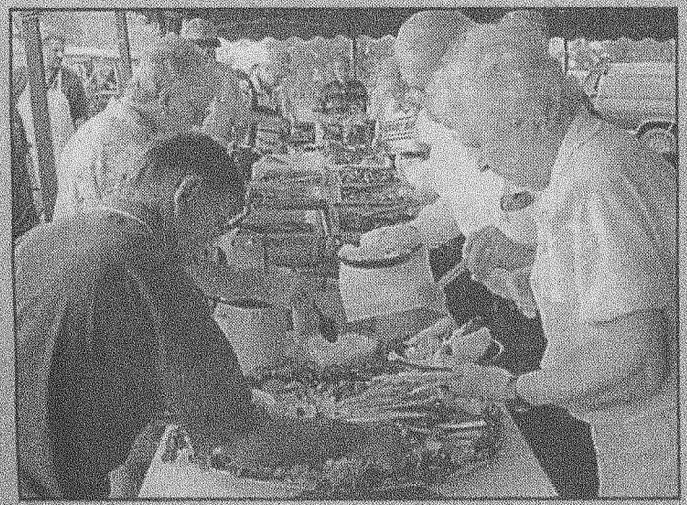
Celebrating 75 years

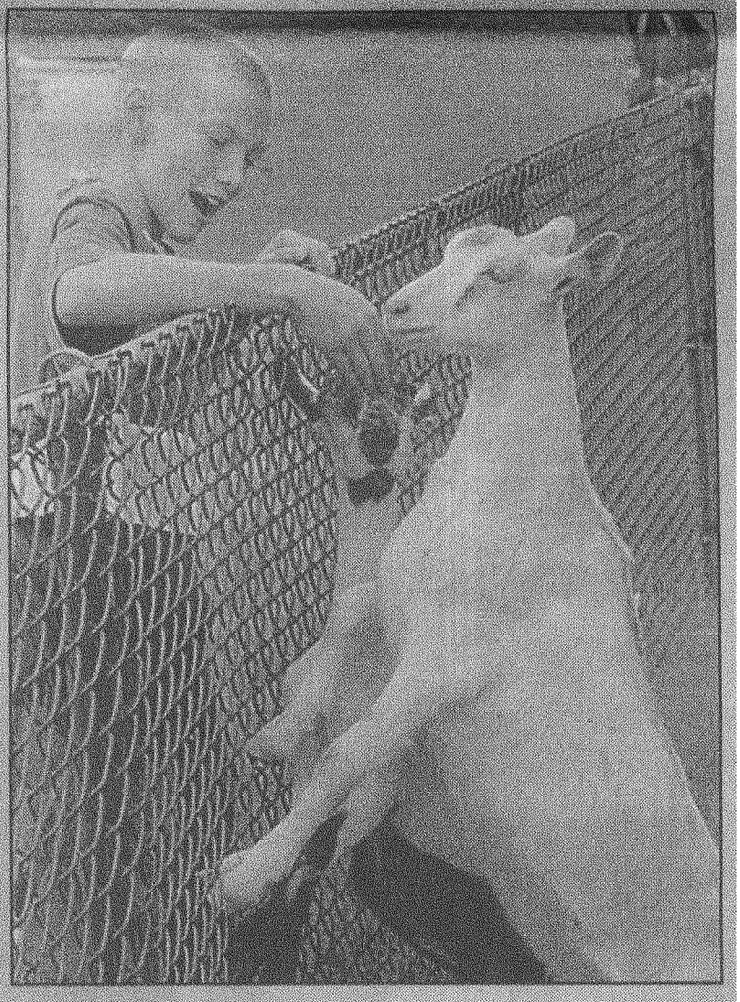
Endres Manufacturing Company opened its doors to the public Saturday as the firm celebrated its 75th anniversary. The days activities included tours, entertainment and ample refreshments. (Photos by John Fullmer)



Tours at Endres included demonstrations at work sites. In this case it was a saw cutting a girder to size.



Guests were treated to a virtual feast following a tour of the operation.



Sam Schwartz takes a moment to get to know the goats housed at Endres Manufacturing. The goats have graced company grounds for a number of years.
